

***2014 Great Lakes NeuroTechnologies' Biomedical Engineering Education Scholarship***

The Great Lakes NeuroTechnologies' Biomedical Engineering Education Scholarship program was established to support and promote biomedical engineering education opportunities for Northeast Ohio students. The scholarships honor GLNT team members who lost battles with diseases that could be impacted by innovation in biomedical engineering. It is our hope that these scholarships, which are named for those individuals, will enable BME education for students that will impact health care and solve these challenges.

Address: 10055 Sweet Valley Drive  
Valley View, OH 44125

Application Deadline: April 30, 2014

Number of Awards: 2 awards are available (one per student)  
\$1,000 GLNT Dave Stolarski Memorial BME Scholarship  
\$1,000 GLNT Duncan Lowne Memorial BME Scholarship

Website Address: <http://glneurotech.com/2014-bme-scholarships/>

**Scholarship Description:**

The GLNT Biomedical Engineering Education Scholarship was established to support high school seniors who plan on attending a four-year college or university in pursuit of a degree in Biomedical Engineering. Two non-renewable scholarships in the amount of \$1,000 each will be awarded. The judging committee will be comprised of biomedical engineers and determine up to two scholarship winners based on a written essay and reference letter.

**Eligibility:**

- Applicants must currently reside and be a senior at a Northeast Ohio high school.
- Applicants must intend to study Biomedical Engineering at a four-year college or university during the Fall 2014 semester.
- Applicants must have a cumulative GPA of 3.0 or higher (on a 4.0 scale)

The award money will be sent directly to the college or university where the winners choose to attend. The winners will be notified by May 31, 2014, and must contact Great Lakes NeuroTechnologies by July 31, 2014 with the college or university name and financial aid office contact information.

Instructions:

1. Fill out the application below.
2. Write an essay in response to the following question:  
***What is biomedical engineering, why does it interest you, and why is it important to the Cleveland area?***  
*Please limit the essay to one page. 11 point Arial font with 0.5" margins is preferred.*
3. Obtain one reference letter from a guidance counselor, teacher, or coach.
4. Submit the reference letter, essay, and application via email, fax, or mail to using the above contact information.
