

BioRadio™

WEARABLE TECH FOR ECG, EEG, EMG,
RESPIRATION AND MOTION ✓

SCALABLE RECORDING ✓

MULTI-CHANNEL ACQUISITION ✓

RAW DATA OUTPUT FOR ADVANCED
PROCESSING OPTIONS ✓

The BioRadio is intended for use in education and research applications only. The BioRadio has not yet been reviewed, certified, or approved by the FDA or similar organization for use with patients or clinical purposes. In no case should the BioRadio be used for any diagnosis, treatment or other medical decision-making purposes. All use of the BioRadio must be in compliance with 45 CFR 46 and appropriate human subjects' procedures as they exist within your institution.

BioRadio™

WIRELESS PHYSIOLOGICAL MONITORING

KITS

Part Number	Item	List Price
BioRadio System		
700-0016	BioRadio, Carrying Case, USB Charge Cable, USB Bluetooth Adapter, User Manual, Quick Start Guide, BioCapture Software	\$3,590
Basic Kit		
700-0016-BK	The BioRadio System, PLUS: 1-Hour of BioRadio Training (via WebEx), Snap Electrode Lead Cables (10), Disposable Supply Kit, Electrode Jumper Cables (4), Shielded 1-Channel Lead Cable, High-Performance Electrodes (60)	\$3,990
Respiration Kit		
700-0016-RSP	The BioRadio System, PLUS: 1-Hour of BioRadio Training (via WebEx), Snap Electrode Lead Cables (10), Disposable Supply Kit, Electrode Jumper Cables (4), BioRadio Sensor Pod, Nasal/Oral Thermocouple, Respiratory Inductance Plethysmography (RIP) Bands (Set of 2, choose from sizes XS- XL), RIP Thoracic Interface Cable, RIP Abdominal Interface Cable, Spirometer Kit, Spirometer Disposable Mouthpieces (30), Spirometer Disposable Bacterial Filters (10)	\$5,190
Engineering Kit		
700-0016-EK	The BioRadio System, PLUS: 1-Hour of BioRadio Training (via WebEx), Snap Electrode Lead Cables (10), Disposable Supply Kit, Electrode Jumper Cables (4), Shielded 1-Channel Lead Cable, High-Performance Electrodes (60), Gold Cup Electrodes (10), BioRadio Sensor Pod, Breadboard Kit, Hand Dynamometer, Nasal/Oral Thermocouple, Piezo Respiratory-Effort Belt, Pulse Oximeter Finger Clip Sensor, Pulse Oximeter Interface Cable, Spirometer Kit, Spirometer Disposable Mouthpieces (30)	\$6,490
Complete Kit		
700-0016-CMP	The BioRadio System, PLUS: 1-Hour of BioRadio Training (via WebEx), Snap Electrode Lead Wires (10), Disposable Supply Kit, Electrode Jumper Cables (4), Shielded 1-Channel Lead Cable, High-Performance Electrodes (60), Gold Cup Electrodes (10), BioRadio Sensor Pod, Blood Pressure Cuff, Breadboard Kit, Force Plate, Hand Dynamometer, GSR Sensor Kit, Nasal/Oral Thermocouple, Pulse Oximeter Finger Clip Sensor, Pulse Oximeter Interface Cable, Respiratory Inductance Plethysmography (RIP) Bands (Set of 2, choose from sizes XS- XL), RIP Thoracic Interface Cable, RIP Abdominal Interface Cable, Spirometer Kit, Spirometer Disposable Mouthpieces (30), Surface Temperature Sensor	\$7,990
BioRadio System (Refurbished)		
700-0016-R	BioRadio, Carrying Case, USB Charge Cable, USB Bluetooth Adapter, User Manual, Quick Start Guide, BioCapture Software	\$2,490

ACCESSORIES

Part Number	Item	List Price
501-0293	Airflow & Snore Sensor	\$499
502-0262	BioRadio Sensor Pod	\$490
039-0019	Blood Pressure Cuff*	\$249
502-0120	Breadboard Kit	\$199
040-0019	Conductive Electrode Paste	\$29
040-0026	Disposable Cloth Snap Electrodes (Includes 30 electrodes per package)	\$21
602-0036	Disposable Supply Kit (Includes gauze, medical tape, conductive electrode cream, 60 disposable cloth snap electrodes, skin prep gel, 200 alcohol wipes, 100 cotton swabs)	\$139
115-0065	Electrode Jumper Cable	\$14
039-0022	Force Plate*	\$479
116-0035	Gold Cup Electrode Lead Wires, 48" (Includes 10 leads per package)	\$169
040-0036	GSR Dry Electrodes	\$59
602-0076	GSR Sensor Kit (Includes conductive electrode cream, 30 disposable cloth snap electrodes, 5 snap electrode lead wires, GSR dry electrodes, 2 finger sleeves)	\$139
039-0020	Hand Dynamometer*	\$249
040-0038	High Performance Foam Disposable Snap Electrodes (Includes 60 electrodes per package)	\$49
501-0185	Nasal/Oral Airflow Cannula (Includes 25 cannulas per package)	\$179
501-0294	Nasal Pressure Cannulas with Filter, 24" (Includes 50 cannulas per package)	\$349
501-0295	Nasal/Oral Pressure Cannulas with Filter, 24" (Includes 50 cannulas per package)	\$349
116-0010	Nasal/Oral Thermocouple	\$289
040-0027	Skin Prep Gel	\$27
116-0018	Piezo-Electric Respiratory Effort Belt	\$590
501-0071	Pulse Oximeter Interface Cable*	\$459
501-0190	Pulse Oximeter Soft Sensor, Size Small**	\$329
501-0181	Pulse Oximeter Soft Sensor, Size Medium**	\$329
501-0191	Pulse Oximeter Soft Sensor, Size Large**	\$329
501-0177	Pulse Oximeter Flexible Sensor Kit** Size Neonatal (Includes sensor and 25 adhesive wraps)	\$279
501-0026	Pulse Oximeter Flexible Sensor Kit** Size Infant/Toddler (Includes sensor and 25 adhesive wraps)	\$279
501-0023	Pulse Oximeter Flexible Sensor Kit** Size Adult (Includes sensor and 25 adhesive wraps)	\$279

*Item Requires BioRadio Sensor Pod, P/N 502-0262

**Item Requires Pulse Oximeter Interface Cable, P/N 501-0071

***Item Requires RIP Interface Cables, Abdominal P/N 501-0194, and/or Thoracic P/N 501-0195

ACCESSORIES - Continued

Part Number	Item	List Price
501-0024	Pulse Oximeter Flexible Sensor Adhesive, Sizes Neonatal, Toddler & Adult (Includes 25 adhesive wraps)	\$29
501-0029	Pulse Oximeter Finger Clip Sensor**	\$309
501-0249	RIP Band*** Size Neonatal/XS (Includes 2 bands per package, fits circumferences up to 30cm)	\$139
501-0193	RIP Band*** Size Infant/Small (Includes 2 bands per package, fits circumferences of 40-70cm)	\$139
501-0192	RIP Band*** Size Pediatric/Medium (Includes 2 bands per package, fits circumferences 60-100cm)	\$149
501-0184	RIP Band*** Size Adult/Large (Includes 2 bands per package, fits circumferences 90-130cm)	\$149
501-0188	RIP Band*** Size Adult/XL (Includes 2 bands per package, fits circumferences of 120-180cm)	\$179
501-0189	RIP Band*** Size Adult/2XL (Includes 2 bands per package, fits circumferences of 150-200cm)	\$189.00
501-0253	RIP Band*** One Size Fits All (Includes 1 band per package)	\$419.00
501-0194	RIP Abdominal Interface Cable	\$319.00
501-0195	RIP Thoracic Interface Cable	\$319.00
502-0189	Shielded 1-Channel Lead Cable	\$129.00
116-0045	Snap Electrode Lead Cable	\$41.00
039-0041	Spirometer Mouthpieces, Disposable (Includes 30 mouthpieces per package)	\$39.00
039-0051	Spirometer Bacterial Filters, Disposable (Includes 10 filters per package)	\$79.00
502-0018	Surface Temperature Sensor*	\$119.00
501-0254	VivoSense Core Physiological Analysis Software	\$2,200.00
501-0255	VivoSense Heart Rate Variability Module	\$900.00
501-0256	VivoSense Advanced Respiratory Analysis Module	\$900.00
501-0257	VivoSense Batch Mode Processing Module	\$900.00
501-0258	VivoSense for Additional PC's (Maximum allowance is 3 per customer/license)	\$75.00
501-0296	Vivosense Training (per 1/2 hour)	\$150.00
100-0210	BioRadio Training (per 1/2 hour)	\$150.00
000-0208	BioRadio 1-year Extended Warranty	\$790.00

*Item Requires BioRadio Sensor Pod, P/N 502-0262

**Item Requires Pulse Oximeter Interface Cable, P/N 501-0071

***Item Requires RIP Interface Cables, Abdominal P/N 501-0194, and/or Thoracic P/N 501-0195

All pricing is USD.
